FAMILY PHOTO EVENT

*\$25 of your \$35 donation will directly benefit
Arbor Heights Elementary School and our children.*

WHY A FAMILY PORTRAIT EVENT? BECAUSE FAMILIES ARE THE MOST IMPORTANT THING TO MOST OF US, AND FAMILY PORTRAITS PROVIDE A WAY TO CHERISH THOSE FAMILY MEMORIES FOREVER. FPE PHOTOGRAPHERS ARE PROS AT HELPING EVERYONE LOOK MORE COMFORTABLE AND RELAXED -- CREATING TRULY NATURAL AND BEAUTIFUL PORTRAITS EVERY TIME.

We are pleased to announce that on Saturday, March 10, 2012, we will be hosting a Family Portrait Event by Jennifer Durham's Family Photo Event. This event will be held in the school cafeteria.

For the special promotional price of \$35, each family will receive one portrait session. With their session each family will receive a complimentary 8x10 of their choice and the corresponding low resolution file for internet sharing. All family is welcome.

JDP will donate \$25 back to the school for each family that participates. Arbor Heights will receive bonuses for more than 50 families, so tell your friends!

For more information please visit FamilyPhotoEvent.com.

For your photo session: we recommend solid colors. Stay away from patterns and bright colors. Pastels and earth tones (blues, tans) generally photograph very well. Family members should plan ahead and wear complimentary colors.

Proofs will be viewed in person at Arbor Heights Elementary 7-10 days after the event. At that time you may select your free 8x10 as well as purchase additional prints as desired.

All sittings and viewings will be by pre-arranged appointments only. Your school representative, Amanda Nokes, will schedule your sitting time. For scheduling questions, please call Amanda at (206) 902-6324.

Saturday, March 10th and Sunday, March 11th.

Who is eligible for Family Portraits

- Any group of 3 or more identifying as a family
- Special rate for families only please -- people/children may photographed individually as one of the poses, but may not purchase a sitting alone •Multiple sessions possible, but only one complimentary 8x10 per family.
